

# REFERRAL REWARD

Dear Valued Customer,

DMJ Asphalt Inc. would like to thank you for your new driveway purchase. As a special thanks we would like to award you with a check for \$100.00 for each referral that results in a sale of a new driveway. There is no limit on the number of checks you can receive. However, this form must be submitted **prior** to your referral signing a contract with us.

If you know of someone who may be interested in a new driveway, please complete the form below and return it to us. We will then contact your referral to set up an appointment. After meeting with our representative for a free estimate, and if they decide to purchase a new driveway from DMJ Asphalt Inc. a check for \$100.00 will be sent to you upon completion of their driveway. If your referral calls in prior to us receiving this form back from you, please remind them to tell the person who sets up their estimate appointment that they are a customer referral by you, and have them give us your name. (Exclusions: A referral check will not be issued if you have already received a neighbor discount or special pricing with the person you are referring, or if they have signed up prior to us receiving this form from you.)

If you have any questions, please give us a call at 763-478-6878.
